Gerry, I did 4 hours today! 6:30AM to 7PM

I did a EUO for Doug P in Staten Island at 11AM today. Left my house at 7AM after signing onto the computer at 6:30AM

I then drove from Staten island to Woodbury where I conducted my own theft EUO at 2PM at Woodbury Legal.

I arrived home at 4PM and have been typing since as I have three more EUO's tomorrow in Queens.

Stopping now at 7PM

I don't expect any other overtime this week. I will type Friday but do have a face to face in Glen Cove tomorrow night at 6PM after my 3 EUO's.

I have EZ pass and parking receipts to establish my times mentioned above,
My calendar has been updated also to reflect the overtime.
